Important information about Bridgefest events

Dear Bridgewater Parents,

We're all really looking forward to **Bridgefest**, our annual school camping event, on **Saturday June 13th.** As you know, Bridgefest is incredibly popular, and to ensure everyone's safety and comply with licensing regulations, the BSA has to limit the number of attendees. This means that **only those with pre-booked tickets will be able to enter the event**.

We understand the enthusiasm for Bridgefest, but we kindly ask everyone to **please respect these necessary rules**. Adhering to the capacity limits is crucial for the well-being of all our children and families, and it ensures we meet all legal requirements for the event. If we don't abide by the capacity limits, we will be putting the future of Bridgefest in jeopardy.

The event cannot run successfully without volunteers so please ensure you attend if you sign up for a volunteering slot.

Thank you for your understanding and cooperation in making Bridgefest a safe and enjoyable event for everyone. We can't wait to see those of you with tickets there!

Kind regards,

Andrea Bettridge

Headteacher
