Book your place at the People's Emergency Briefing - 25th June 2026 (50 seats left)

Dear Parents and Carers,

We are pleased to be hosting a screening of the People's Emergency Briefing at Bridgewater, on Thursday 25th June at 7pm. This community event is being organised by Parents for Future Herts and Bucks, Eco Berko and XR Dacorum.

We will be showing an eye-opening film featuring nine leading UK scientists and experts, updating us on the latest in the climate and nature crisis and its impacts on everyday national life, including:
extreme weather
food security
health
cost of living

The film is based on the National Emergency Briefing in Westminster, as covered by ITV, C4 and The Times, featuring Chris Packham, Deborah Meaden and a range of voices from across the UK. After the film there will be a short discussion about what this means for our community and what we can do locally.

Book one of the 50 remaining seats for the showing. 96 seats have already been booked. Bring a friend, neighbour or family member. Everyone aged 16+ is welcome. The event is free to attend, but donations will be welcome on the day, to help cover the cost of the event. Please follow this link to book your seat.
