Invitation to Share Your Feedback – Bridgewater School Parent Survey

Dear Parents and Carers,

At Bridgewater, we are committed to providing the best possible education and environment for your children. We value our working partnership with parents, seeing it as critical to achieving our vision that every member of our school feels safe, happy, valued and inspired to achieve their full potential. Your unique perspective as a parent is invaluable to us.

We are currently conducting our biennial parent survey, to better understand your experiences and to identify areas where we can improve. Your honest feedback helps us form a clear picture of our school's strengths and the areas that require more attention.

Survey Details:

Purpose: To capture your insights as a parent, the questions in our survey are those that Ofsted will ask parents when they inspect the school. Please remember that if you have any specific concerns about your child, you should contact their class teacher, or the school office in the first instance.

Time required: The survey should take less than 5 minutes to complete.

Anonymity: All responses are confidential. If you want us to provide an individual response to you, please include your name and email address in one of the free text boxes.

Deadline: Please complete the survey by Friday 22nd May.

How to participate: Follow this link to complete the survey.

Once the survey closes, we will review the data to identify trends and opportunities for improvement. We will share a summary of the results and our subsequent action plans with you.

Thank you for your continued support and for taking the time to help us make Bridgewater School even better.

Yours sincerely,

Andrea Bettridge
Headteacher
