Come to the Fayre!

The school grounds are decorated with artworks, the weather looks like it is going to be fine - we are really excited about the fayre tomorrow! Here is a reminder of the timings of the day. The BSA Spring Fayre Spectacular

1.30 Fete opens
1.45 Street Kicks performance
2.30 Maypole dancing
3.55 Raffle announcement
4.00 Bridgewater choir performance
4.30 Fete closes

Thank you to all our brilliant BSA volunteers who have been working so hard to prepare for our fete. We have some amazing raffle prizes – will you win the signed England football shirt?

We'd still need some more volunteers to help with the clear down at the end of the fayre – please sign up here.

This year we wanted our fayre to have a sustainable focus. Many of the stalls will be stocked with donations looking for a new home. Even our Maypole is "preloved", new to us. There will be a coffee van, so if you can, please help us reduce our impact on the environment by bringing your own reusable cup from home. There will be lots of cash only stalls run by our Year 6 volunteers, so please bring your pennies with you.

One of the best ways to start our children's awareness of the climate crisis is to foster a love of nature. Every class has been studying a different tree over this academic year and have made some fantastic artworks, which you can see in a trail around our grounds. Thanks to Hugo for creating a map of the trees. You can pick up a map and tick off the trees as you find them on the trail – please bring a pen or pencil from home in. Put your entry (one per family) into the box by the bar to receive 5 house points!

Here are some photos of the children working on their beautiful artworks yesterday. One of the children was so inspired, he continued his weaving at home last night!

Visit the treehouse to see the "Posters for The Planet" that the children created, to tell our MP how they feel about the climate crisis. We have chosen the winners, who will receive 50 points for their house. All entries received house points and will be sent to Victoria Collins after the fayre. Thank you to Raeeka for helping us with this Greenpeace initiative.

We hope that you will enjoy everything that the fayre has to offer – your children should be very proud of themselves and we are grateful to everyone in Team Bridgewater for their efforts on outdoor learning day, their hard work preparing for the fayre and for their commitment to sustainability.
