Dear Parents & Carers,

We are excited to invite all our students to take part in a special event on **Friday 22nd May** to help raise funds for **The Wynaud Trust.** This charity, supported by a former teacher, Kathy Beaumont, who may be familiar to many of you, continues to make a difference even after her retirement.

Recently, Kathy visited us and shared with the children the important work the charity does in the Kabompo District of Zambia. The children were particularly moved to hear about the distance that their peers must walk each day to collect water and carry it home. This awareness has inspired us to take action!

As part of this initiative, during the children's Daily Mile, they will carry a small bucket of water, simulating the experience that many children in Zambia face daily. This will not only promote empathy but also help our students understand the challenges some communities endure in accessing basic necessities like fresh water.

We kindly ask for a **voluntary donation of a minimum of £1** to support this cause. Of course, there is no obligation to contribute if you choose not to. For your convenience, donations can be made directly through The Wynaud Trust's website. You can bring in cash or, if you prefer to make a bank transfer, please see the details below:

Bank: Barclays Bank
Address: 189 High Street, Berkhamsted, Hertfordshire. HP4 1AY
Account Name: Wynaud Trust
Sort Code: 20-39-07
Account Number: 03117359

Please label your donation "bwater school" so we can track our total contributions.

We appreciate any support you can offer.

Thank you

The School Council
