After school collection arrangements for September 2026

Dear Parents & Carers,

For important safeguarding purposes, we need to gather information on who will be collecting your child(ren) in September. This information will be shared with their new class teacher & teaching staff. We would like to know their daily arrangements and any named person(s) authorised to collect your child on an ad-hoc basis (excluding parents).

As we need to gather collection arrangements for 460 children, this is a very time-consuming but important task. We would appreciate your help in this matter by completing the Google forms linked below **by 1st of September.** Unfortunately, we do not have the time to chase individual parents.

The forms correspond to your **child's new class** in September. Please do not state any clubs as the teachers will receive a copy of the club registers in September when they start.

Year 5 & 6 Parents/Carers
Before completing this form, please ensure you have logged into the Arbor app and completed the **Walking Home Permission** consent for your child.

We still have a number of children, including those moving into Year 6, who do not yet have this permission in place. Please note that this consent must be completed each academic year, even if you gave permission last year.
