Implementing Mixed Classes - September 2027

Dear Parents / Carers,

Following our recent letter, in which we informed you of our decision to start mixing classes at the end of year 2 and year 4 from September 2027, we are writing to let you know that this will be the focus of the autumn term parent forum meeting. All parents will therefore have the opportunity to contribute ideas as we plan the implementation of this change to ensure its success for all.

The date of the meeting is yet to be confirmed, but we aim to hold it early on in the autumn term.

Kind regards,

Sarah Alexander

Deputy Headteacher
