REAR GATE WALKING ROUTE INTO SCHOOL

Who is it for?

The rear gate walking route into school is suitable for all children and families.

When is it open?

The rear gate will be open every school day between 8.15 and 8.30am, subject to the conditions on the field and volunteer availability.

If the rear gate is going to be closed for any reason, we will update parents and carers by email. We will endeavour to keep the rear gate open as much as possible. This year it was open from September right up to Christmas and then again in the Summer term.

How do you access the rear gate?

The gate is accessible via a footpath that runs from Bridgewater Road, crosses Meadow Road and onto the corner of the school field.

The route is marked by the black arrow on the map.

Please note, the path from Meadow Road up to the corner of the field is quite narrow in places so you might find it difficult with a pushchair or pram.
