Dear Parents and Carers,

With the evenings getting darker, the Travel Group are focusing on the message '**be bright be seen**' and how important it is that children are visible on their journeys to and from school, in particular when walking.

Please follow this link to a 'Be Bright, Be Seen' Parent Information Guide with further information about how you can help your child stay safe on the roads this winter.

Our Eco Councillors have been delivering the 'be bright be seen' message in their classes this week and then next week will be running some table top sales of bright, reflective items that the children can attach to their coats and bags.

The sales will take place next Tuesday, 20th October, from 3 to 3.30pm outside the school office and then at lunchtime on Wednesday the 21st and Thursday the 22nd of October in the school foyer.

If your child attends Rialize or a Club after school on a Tuesday, there will be a small stock of items available to purchase from Rialize or from the school office. Children can also visit the table top sales at lunchtime on the following days.

Items will sell for between 50p and £2.50. Please see this price list for further details of the items available. It would be helpful if you could discuss the price list with your children ahead of the sale and manage their expectations as we occasionally run out of the most popular items. If you are sending your child to school with cash, please ensure it is in a named envelope and, if possible, that they have the correct change.

Please note, children are under no obligation to purchase items during the sales. Any profits will be used to fund further travel initiatives.

Many thanks for supporting this safer travel initiative.
