CLEAN AIR DAY: ACTIONS PARENTS CAN TAKE FOR CLEANER AIR FOR OUR KIDS

by Parents For Future Dacorum, your local parents climate group of busy parents who give a little time when they can to help protect our liveable planet for our kids. Text Raeeka to join us: 07799266083

1

Postcode air pollution

Check the air pollution at your home postcode and that of the school's at addresspollution.org. The school's postcode currently exceeds 3 WHO health limits. Demand action at **addresspollution.org.**

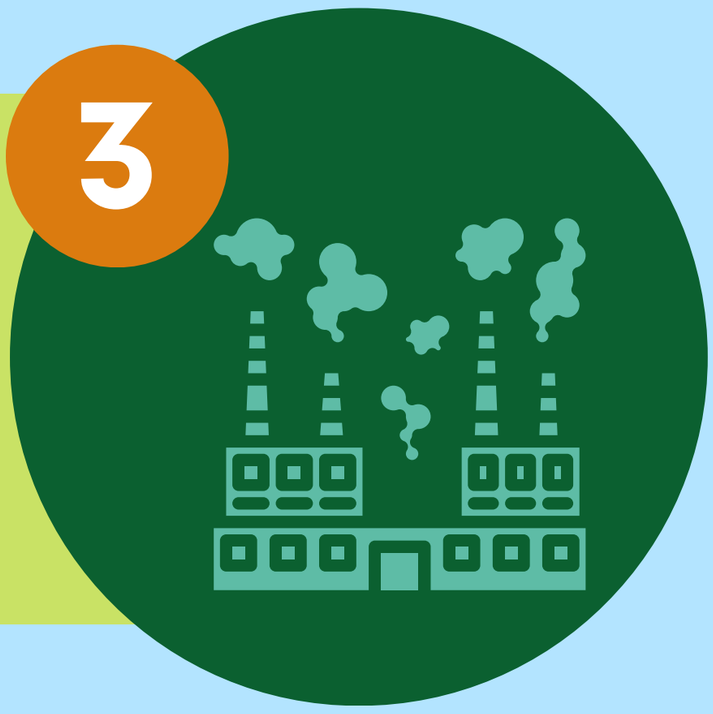

2

Ask councillors to do more

Email your councillor to ask for change: **cleanairhub.org.uk/take-action**

3

Learn what air pollution is

Understand what it is so you can help take action to improve it in your area: **cleanairhub.org.uk/clean-air-information/the-basic-information**

4

Learn about Ella's Law

Ella was the first person in England to have air pollution listed as cause of death. She was 9. Find out more: **ellaslaw.uk** and get involved in the campaign: **ellaslaw.uk/get-involved/**

5

Support mums for lungs

mums for lungs understand air pollution as a public health crisis. This volunteer run group is always looking for help - 30 minutes here or there makes a difference **mumsforlungs.org/**
