Herts Parent Carer Involvement (HPCI) Annual Survey 2026

Herts Parent Carer Involvement (HPCI) is inviting parents and carers of children and young people with special educational needs and disabilities (SEND) in Hertfordshire to complete its annual survey by **1 November 2026**.

Your feedback will help HPCI understand families' experiences, identify what is working well and where improvements are needed across education, health and social care services. All families are encouraged to take part, whether or not their child has an EHCP or formal diagnosis.

Complete the full survey here or access the shorter version here.

As a thank you, participants can also enter a prize draw to win a Simmons gift voucher. Every response helps ensure families' voices are heard and supports improvements to services for children and young people with SEND.
