GRIFFIN House Competition
Autumn 2026

Our Bridgewater flag - house competition

Our exciting competition is to design a flag that represents our school! Your flag should show what makes our school special and what we are proud of. Be creative, have fun and think about how your design could bring our whole school community together.

Things to think about:

- 🏫 **Our school:** What symbols, colours or ideas represent our school?
- ❤️ **Our values:** Could your design show kindness, teamwork, bravery or respect?
- 🎨 **Keep it simple:** Choose bold colours and clear shapes that can be easily seen from far away.
- 🌟 **Be creative:** Think of an original idea that makes your flag stand out!

Our Bridgewater flag - house competition

Think creatively… use whatever materials you'd like as long as you think they'd look good when copied onto on a flag.
