Dear Parent/Carer

We hope you had a lovely half term holiday.
This half term, we will be exploring the Tudors in history, for which we will also have a WOW Day on Tuesday 1st December: A Tudor Christmas. More details will follow closer to the time and we will be looking for several volunteers to join us, either for the whole day or just for the morning.
In science, we will be starting our light topic which involves lots of lovely practical activities. Maths will continue to follow the curriculum, where we move on to fractions. May we take this opportunity to ask that the children practice their times tables frequently as this really does help!
In English, we will be writing and presenting persuasive speeches inspired by the book 'Talking History: 150 Years of World-Changing Speeches'. This will be followed by discussion texts, writing both sides of an argument.

We will be having our forest school sessions on 4th December (Kite) and 18th December (Buzzard). Please could you ensure that your child has their wellies, a waterproof and warm coat, hat and gloves in school for that day. Waterproof trousers and/or tracksuit trousers are also a great idea.
Here are a few useful more dates for your diaries:

- Monday 16th November – Height and weight nurses in
- Tuesday 24th and Thursday 26th November - Parent Consultations
- Friday 27th November – INSET Day
- Monday 30th November – Occasional day
