Dear Parent/Carer,

Owl - Autumn Term 2 Newsletter

We hope that you have all had a lovely, restful half term and, like us, are looking forward to the next half term in the lead up to Christmas. In geography, we are now learning all about earthquakes and why some cause more damage than others around the world. In science, we are going to be learning about forces and magnets. We will also be doing a DT packaging project looking at packaging and 3D nets as well as making our own packaging.

We have pasted our forest school rotation below for your information. Please remember to have warm outdoor clothing as well as wellies for the winter months.
