6th January 2026

Dear Parent/Carer,

We hope you had a wonderful Christmas break.

This half term, we will be continuing with history, but now focusing on World War I. This is a fantastic topic which will include a visit to the trenches and a DT project making trenches of their own. In science, we will start our evolution and inheritance topic.

In maths, we will be looking at geometry, division by two-digit numbers, followed by angles and translating shapes. In English, we will finish our work on The Planetarium and Pandora, before starting on writing narratives based on The Night of the Gargoyles book.

We will be having our forest school sessions on Friday 6th February (Kite) and Friday 13th February (Buzzard). Please could you ensure that your child has their wellies, a waterproof and warm coat, hat and gloves in school for that day. Waterproof trousers and/or tracksuit trousers are also a great idea. This is also essential for our trenches visit on January 21st.

Here are a few useful more dates for your diaries:

- Monday 12th January – Electric Umbrella performance for KS1 and KS2
- Wednesday 14th January – Y6 health questionnaire
- Wednesday 4th February – Buzzard class assembly
- Friday 6th February – Kite forest school
- Monday 9th February – trenches walk
- Tuesday 10th February – Thursday 12th February - DT week (trenches)
- Thursday 12th February – Smartphone and tech talk @ 7pm
- Friday 13th February – Buzzard forest school
- Friday 13th February – break up for half term

Many thanks as always for your continued support and enthusiasm.

Best wishes,

Becky Brown and Francesca Mould
